## Welcome to Indiana On Demand

Here you can fly from anywhere in Indiana to anywhere hundreds of miles away on your schedule.

- Fly from more than sixty airports across the state (the majority of which are NOT served by commercial airlines) to hundreds of airports in Indiana & neighboring states!
- Save hours of driving or sitting in commercial waiting areas and fly directly from where you are to your destination!

To get started all you need to do is enter your originating address and your destination address. We'll find your closest community airport to each address, show you all of your On Demand options, and find the best option for your needs!
